Parent Teacher Conferences

Parent Teacher Conferences are the only time that we get to spend focused time with each students' parents/guardians for the year. They are meant to be collaborative and informational in nature with a clear outcome of what each student needs to succeed heading into Q2 to finish

the semester strong. Conferences are so critical that we always have the goal of 100% each year for all students and families. We believe that this time together is that important so we have created enough spots across two days for parents to attend.

Conferences are also going to be student led. You student must attend the conferences; if they are not there, we will ask you to wait until they arrive or sign up for an additional spot.

Sign Ups are now open for each grade level:

Homework Expectations & Policies

As a school, we are committed to pursuing academic rigor in and outside of class. The role of homework is critical at Roosevelt Prep since it is either preparation for the next day of learning in class or it is practice for what was learned in day that class. We recognize that the amount of homework may be a new challenge for students but we encourage them all to lean into it rather than try to avoid it. The effort a student shows in attempting homework and turning it in on time for some credit is recognized and does influence ultimate grades. Additionally, the discipline of turning in homework, even if one is not confident or still has questions, is academically helpful since it impacts grades so heavily. Here are a few key principles that we want to remind you of as we end the quarter:

1. Homework will receive 50% credit if is it not turned in at the beginning of class until the next day.
2. Homework received after the second day that it was due will receive 0% credit.

3. Homework assignments that have been missed after the 2nd day will not be allowed to be made up for any credit.

The discipline or practice of doing and turning in homework is worth the effort at home from parents and students to ensure it is completed each night. Active homework participation helps the students academically but also from a grading perspective. We encourage you to remind your students not to get behind.

Lunch Policy!

Effective NOW, the front office will NO LONGER accept food deliveries for students from restaurants/third-party vendors (ex. Jimmy John's, Door Dash, etc.). Please note any outside food will not be accepted and your scholar will receive an emergency lunch for that day. Students should bring a lunch from home or order ahead from our PSO-sponsored lunch program My Hot Lunch Box. If a student forgets lunch, a parent may bring it to the lunch cart in the front office before 10am and the student will be notified. For lunches arriving after 10am, it is the student's responsibility to collect it from the office during their lunch period or after-school. Class time will not be interrupted for lunch delivery.

Parent Volunteer Opportunities

As part of the Great Hearts Roosevelt family, every single one of you are members of the PSO! There will be many opportunities throughout the year to offer your time and talent to the community.

If you are interested in volunteering and supporting our school on campus in any way, all volunteers must submit their application through our secure "Raptor" system. The link to this can be found below.

This applies even to volunteers who already have a fingerprint clearance card.

If you would like information on our PSO, aspects of available volunteer options or to just add your name to our volunteer interest list please email our PSO President at PrepPSOPresident@greatheartsroosevelt.org

**DONATE TO
THE LUNCHROOM!**

The lunchroom runs solely on donated forks, spoons, and napkins. As of right now we are flying through a Costco sized box of spoons and forks. Unfortunately, it is not sustainable. The PSO has created a sign up for what they are estimating we will be using per month. Changes will be made as needed. These supplies will be used exclusively for the lunchroom. Please sign up below to bring in a bulk box labeled "Lunchroom" to the front office.

Other ways you can help make an impact is by reminding your scholars to bring their own utensils. MHLB orders will continue providing all utensils and

condiments for their orders. If you have questions, please email Lindsey Amparan at psolunch@greatheartsroosevelt.org.
