Happy Thursday families,

I want to thank you for all for participating in the Parent Survey. Our survey completion rate was 77%, which is the highest Prep survey participation rate in Great Hearts Arizona. As next steps, my commitment to you is to review all of the feedback over Spring Break and, upon our return, send out a communication that shares trends in the feedback with our action steps to respond to that. In areas where we can and should improve and change, we will do our best to outline our next steps. In other areas, we will continue to clarify principles and convictions that form our philosophy and model of education.

My commitment to you as a parent body is to continue to create opportunities for parent input and feedback, to invite parents into pursuing a deeper understanding of Great Hearts philosophy, and ultimately, respond with clarity and conviction on how to help us continue to move towards pursuing our vision and mission as a school.

As always, please feel free to reach out to me if you ever have questions or thoughts. Thank you!

In hope,

**Tony Cruz** | Headmaster, Roosevelt Prep

“We are thrilled to announce that David Spencer has been named the Aces athlete of the month! David's dedication, exceptional skills, and unwavering commitment to excellence have set him apart as a true standout on and off the field.

As an outstanding soccer player, David exemplifies the qualities of a true athlete. His relentless pursuit of improvement, coupled with his eagerness to learn during every practice, has earned him this well-deserved recognition.

Moreover, David's exemplary character and respectful demeanor towards his teammates and coaches make him an invaluable asset to the team. As one of the team captains, he leads by example, inspiring others with his leadership and sportsmanship.

Congratulations once again to David Spencer for this incredible achievement. Your hard work, determination, and positive attitude serve as an inspiration to us all. Keep shining, David!”

“The Amateur Aces Programs are a great way for kids to build social skills, develop teamwork and their sports skills. Kids learn athletic fundamentals like ball control, shooting, and passing/throwing all while having fun.

Amateur Aces will provide our scholars with a safe, fun, and social opportunity to stay active, engage in competition, and become better at the game of their choice.

The Amateur Ace Academies are built for every child. Whether the child is a novice or a seasoned athlete, each child will have the opportunity to improve their sports knowledge and skills, make friends, and have fun. It is a great place for the sports loving scholar to develop both the body and mind.

# Lunch Policy!

Effective NOW, the front office will NO LONGER accept food deliveries for students from restaurants/third-party vendors (ex. Jimmy John's, Door Dash, etc.). Please note any outside food will not be accepted and your scholar will receive an emergency lunch for that day. Students should bring a lunch from home or order ahead from our PSO-sponsored lunch program My Hot Lunch Box. If a student forgets lunch, a parent may bring it to the lunch cart in the front office before 10am and the student will be notified. For lunches arriving after 10am, it is the student's responsibility to collect it from the office during their lunch period or after-school. Class time will not be interrupted for lunch delivery.

## Parent Volunteer Opportunities

Our new Prep PSO President, Mrs. Beth Othon, has done an amazing job in leading and supporting the development of student culture alongside Mrs. Whitwell, our Dean of Student Culture. However, the Prep PSO is still in need of more parents in a more ongoing role. Mrs. Othon's email is **[preppsopresident@greatheartsroosevelt.org](mailto:preppsopresident@greatheartsroosevelt.org)**
