Join Our Growing Athletics Team! Fall 2024 Coaching Opportunities Available

Are you passionate about sports and eager to make a difference in the lives of student-athletes? We are excited to announce openings for fall athletic coaches at our school! Due to the rapid growth of our athletic programs and the increasing number of students participating in sports, we are seeking additional coaches for the following positions:

- 1. Middle School Volleyball Coaches:** We are looking for two enthusiastic coaches to help lead some of middle school volleyball teams as the program continues to grow. If you have experience coaching volleyball or are passionate about volleyball and enjoy working with young athletes, we want to hear from you!
- 2. Additional Cross Country/Track Coach:** We are expanding our cross country and track program and need an additional coach to support our student-athletes. If you have a passion for distance running and helping athletes achieve their goals, this could be the perfect opportunity for you!
- 3. High School Flag Football Coach:** We are planning to start a high school flag football team next fall and are seeking a dedicated coach to lead practices, develop strategies, and inspire our student-athletes to excel on the field. If you have experience coaching football, or are ready to begin your coaching journey, and a desire to make a positive impact, we want you on our team!

These positions are part-time paid positions, offering a rewarding opportunity to become an integral part of our athletics department. As our school continues to grow, we are committed to providing a high-quality athletics experience for all students. Last year, over 65% of our prep students were involved in athletics, and with our school expanding even more next year, we need additional coaches to help us continue growing and improving.

Benefits of being a school athletics coach include:

- **Mentorship and Leadership Development:** Make a positive impact on students' lives by serving as a mentor and role model, helping them develop important life skills such as teamwork, discipline, and sportsmanship.
- **Promotion of Physical Fitness and Health:** Contribute to the overall well-being of students by promoting physical

fitness and healthy lifestyle habits through participation in sports.

- **Opportunities for Personal Growth:** Continuously learn and grow as a coach, improving your coaching skills, leadership abilities, and interpersonal communication through your experiences working with diverse groups of student-athletes.
- **Sense of Achievement and Fulfillment:** Experience the joy and satisfaction of guiding a team to success, whether it's winning championships or helping athletes reach their personal best.

If you or someone you know has interest in coaching, please contact the athletic department at cwunsch@greathearts.org. Don't miss this exciting opportunity to join our growing athletics team and play a key role in shaping the future of our student-athletes!
