Happy Friday families,

I cannot believe that we have less than three weeks left of school for this year. It has been an amazing and an encouraging year so far and I don't

think any of us are ready for the year to really end. Thank you such an incredible experience so far. I did want to remind you as the year comes to an end that we will be having Semester Exams on Monday and Tuesday (May 20 and 21). These exams are an important final assessment to help us understand how we've done in supporting the learning of your student. Please make sure that they do not miss these exams, as there will be no opportunities for remakes except for on Tuesday (May 21) for those who were out on Monday. Reach out to me if you have any questions! Thank you!

In hope,

Roosevelt Great Hearts Day of Giving

Congratulations Varsity Soccer Team!

What an incredible inaugural season it has been! Your hard work, dedication, and teamwork have truly paid off, culminating in a

remarkable achievement of finishing 6th in the state rankings and making it to the quarter-finals of the CAA State Championship!

A huge thank you goes out to all the families and fans whose unwavering dedication and support made this season an unforgettable experience for everyone involved. Your cheers from the sidelines fueled our players to strive for greatness!

And a special shoutout to our amazing Head Coach Cesar Diaz Anino! Your outstanding leadership, guidance, and mentorship have been instrumental in shaping our team's success this season. We are grateful for your passion and commitment to our athletes' development both on and off the field.

Let's celebrate this incredible season and look forward to even greater achievements in the future!

We are thrilled to shine the spotlight on one of our exceptional track athletes, Emma Bustos, as our Athlete of the Month! Amidst a field of talented contenders, Emma's dedication and remarkable progress have set her apart in the realm of discus throwing.

From the outset of the season, Emma's commitment to improvement has been evident. Starting with a solid mark of 31' 9", she wasted no time in pushing her limits and refining her technique. Through sheer determination and relentless practice, Emma's performance trajectory has been nothing short of impressive.

Her recent achievements speak volumes about her prowess on the field. Emma has soared to the impressive rank of #8 among all Canyon Athletic Association throwers in the state! What's more, among freshmen athletes, she currently holds an outstanding third position.

Emma's journey to success reached a pinnacle as she secured her spot in the state championship with a phenomenal throw of 54' 04". This accomplishment not only underscores her talent but also reflects her unwavering focus and drive to excel.

Beyond her stellar performances, Emma embodies the spirit of a true team player. Her consistent presence and active participation in practice sessions serve as a testament to her dedication and willingness to go the extra mile.

As we celebrate Emma Bustos as our Athlete of the Month, let's applaud her remarkable achievements and wish her continued success in her athletic endeavors. Congratulations, Emma, on this well-deserved recognition! Keep reaching for the stars!

Join Our Growing Athletics Team! Fall 2024 Coaching Opportunities Available

Are you passionate about sports and eager to make a difference in the lives of student-athletes? We are excited to announce openings for fall athletic coaches at our school! Due to the rapid growth of our athletic programs and the increasing number of students participating in sports, we are seeking additional coaches for the following positions:

- 1. Middle School Volleyball Coaches:** We are looking for two enthusiastic coaches to help lead some of middle school volleyball teams as the program continues to grow. If you have experience coaching volleyball or are passionate about volleyball and enjoy working with young athletes, we want to hear from you!
- 2. Additional Cross Country/Track Coach:** We are expanding our cross country and track program and need an additional coach to support our student-athletes. If you have a passion for distance running and helping athletes achieve their goals, this could be the perfect opportunity for you!
- 3. High School Flag Football Coach:** We are planning to start a high school flag football team next fall and are seeking a dedicated coach to lead practices, develop strategies, and inspire our student-athletes to excel on the field. If you have experience coaching football, or are ready to begin your coaching journey, and a desire to make a positive impact, we want you on our team!

These positions are part-time paid positions, offering a rewarding opportunity to become an integral part of our athletics department. As our school continues to grow, we are committed to providing a high-quality athletics experience for all students. Last year, over 65% of our prep students were involved in athletics, and with our school expanding even more next year, we need additional coaches to help us continue growing and improving.

Benefits of being a school athletics coach include:

- **Mentorship and Leadership Development:** Make a positive impact on students' lives by serving as a mentor and role model, helping them develop important life skills such as teamwork, discipline, and sportsmanship.
- **Promotion of Physical Fitness and Health:** Contribute to the overall well-being of students by promoting physical fitness and healthy lifestyle habits through participation in sports.
- **Opportunities for Personal Growth:** Continuously learn and grow as a coach, improving your coaching skills, leadership abilities, and interpersonal communication through your experiences working with diverse groups of student-athletes.
- **Sense of Achievement and Fulfillment:** Experience the joy and satisfaction of guiding a team to success, whether it's

winning championships or helping athletes reach their personal best.

If you or someone you know has interest in coaching, please contact the athletic department at cwunsch@greathearts.org. Don't miss this exciting opportunity to join our growing athletics team and play a key role in shaping the future of our student-athletes!
