BigFuture

NationalRecognition Program Announcement

We're celebrating Elena Othon, David Spencer, Kaidence Walker, and Gavin White, who join over 280,000 students from across the country in earning academic honors from the College Board National Recognition Program!

By receiving the School Recognition Awards and First-Generation Recognition Award, Miss Othon and Miss Walker, along with Mr. Spencer and Mr. White, are among the 15% of high school students nationwide who received recognition based on their achievement on AP® Exams and/or PSAT-related assessments. 4 Eligible students had the opportunity to claim three awards: First-Generation Recognition Award, Rural and Small-Town Recognition Award, and, new this year, the School Recognition Award, to celebrate students in every school community.

Roosevelt's Headmaster, Tony Cruz, is proud to celebrate (left to right) Kaidence Walker, Elena Othon, and David Spencer, who received the School Recognition Award.

Gavin White (right) was awarded the School Recognition Award and the First-Generation Recognition Award.

The National Recognition Program awards academic honors to high-performing students annually on BigFuture. The program not only benefits students but also serves as a tangible signal to nonprofit colleges and scholarship providers eager to recruit talented students.

Students can submit their eligibility information during their sophomore or junior year and are awarded at the beginning of the next school year.

Congratulations, Elena, David, Kaidence, and Gavin!
